QBE Australia are proud to be in a position to assist AFMA members through our comprehensive product range. This site has been designed to provide you with a single point of access to QBE's policy collateral and the ability to streamline transacting business with QBE.

Based on our understanding of AFMA Member feedback, I am pleased to be able to offer our excellent Farm Package and Commercial Motor insurance policies to you.

I encourage you to familiarise yourself with these as well as our other insurances and to contact a member of the AFM or QBE teams should you have any queries.

Kind regards

General Manager

Commercial Packages

Comprehensive cover across all business operations.

However diligently your business clients run their operations, they are constantly exposed to a wide variety of risks, from public liability to machinery breakdown. As each company is unique in its operation, QBE has developed a choice of multi-cover insurance packages that can be tailored to match specific needs and budgets.

QBE Commercial Package policies can be industry specific and will provide your small to medium-sized business clients with simple, yet comprehensive insurance solutions.

Find out more about:

[Commercial/Retail/Industrial Package](#) for overall protection against a variety of risks in the commercial, retail and industrial sectors.

[Office Package](#) for office-related risks including professionals, consultants and medical surgeries.

[Trades Package](#) for the sole tradesperson or trade-related small business.

[Commercial Strata Unit](#) for commercial strata properties with property values up to \$100m.

[PURPL](#) providing unique comprehensive cover for public and products liability and financial loss. Designed for sole traders and small to medium private companies.
